

Deb® Sunflower WASH

Heavy duty, solvent-free cream hand cleaner utilizing a unique patented* combination of natural sunflower oil and cornmeal to remove most industrial soilings

Usage: Apply at the end of each work period, or more frequently if required, to remove a wide range of ingrained industrial contaminants, such as synthetic and mineral based oils & greases, tar, bitumen and many paints and adhesives.

Method of Use: Apply to dry hands. Rub in well and rinse thoroughly with clean running water. Wipe dry with disposable paper hand towels.

Features & Benefits

Excellent Cleaning Power - Derived from non-solvent ingredients, without the defatting, irritation or dryness of skin often associated with solvents.

Light, Pleasant Floral Fragrance - Pleasant to use, leaving the skin smelling fresh to encourage appropriate usage and compliance with skin safety procedures.

Caring Yet Effective Formula - Ideal for use where employee well-being and environmental impact are important considerations.

Contains Natural Cornmeal Hand Scrub - Non-abrasive and Biodegradable Cornmeal Scrubbers give a deep-down clean without damaging the skin or harming the environment.

Contains Polyquaternium Moisturizer - A highly effective moisturizer for conditioning the skin, helping it to feel soft and supple after use.

EcoLogo® Certified by the Government of Canada
This internationally respected certification provides customers with an independent assessment of the products environmental credentials.

THIS PRODUCT MAY BE USED IN FOOD PROCESSING ESTABLISHMENTS.
