

# Estesol® Lotion

Light Duty Hand and Body Cleanser

## PRODUCT DESCRIPTION

Light duty lotion hand and body cleanser removes general industrial dirt and grime complete with a light, pleasant unisex fragrance.

## WHERE TO USE

For use in general industrial environments.

## INSTRUCTIONS FOR USE

- For general washing, wet hands first and apply one shot of product
- For greasy soilings, apply one shot of product direct to dry hands
- Rub across all parts of the hands and rinse off with clean water
- Dry thoroughly

Keep out of reach of children. If contact occurs with eyes, rinse with water. If swallowed, get medical help or contact a poison control center immediately.

FORMAT: **LOTION**

FEATURES	BENEFITS
<b>Ecologo™ certified</b>	Provides customers with assurance that the product meets stringent standards of environmental leadership.
<b>Lightly fragranced</b>	Appealing to both males and females with no lingering scent.
<b>Contains a mild, yet effective blend of cleansing agents</b>	Suitable for frequent use to remove general workplace dirt and grime.
<b>Contains Glycerin</b>	A skin moisturizer to help prevent drying and leave the skin feeling smooth after use.
<b>Soap-free formulation with skin friendly pH value</b>	Formulated to maintain the skin's acid mantle; a layer on the surface of the skin which acts to help support the natural bacteria balance.
<b>Skin Hypoallergenic</b>	Formulated to have low allergic potential to the skin and assessed by an independent toxicologist to be declared as "Skin Hypoallergenic".
<b>Silicone-free</b>	Suitable for use in any production sites where paint and surface coating processes are undertaken.

## Light Duty Hand and Body Cleanser

### STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. SC Johnson Professional products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

### SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from [www.debgroup.com/ca/sds](http://www.debgroup.com/ca/sds).

### SHelf LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

### CERTIFICATIONS

#### Ecologo™ Certification

Estesol® Lotion is certified according to the UL Ecologo™ Standard UL 2845.

Ecologo™ certified products, services and packaging are certified for reduced environmental impact. Ecologo™ certifications are voluntary, multi-attribute, lifecycle based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

### QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow Good Manufacturing Practice (GMP) and/or Cosmetic GMP requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

### PRODUCT SAFETY ASSURANCE

#### Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

#### Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements. Suitable for use on children under 3 years of age.

#### Skin Hypoallergenic Risk Assessment

The formulation has been assessed by an independent toxicologist to be formulated in such a way as to provide either minimal or no risk of provoking an allergic skin response and thus meets the requirements for being described as 'Hypoallergenic' (Delphic Solutions Ltd, UK).

Allergy sufferers should always refer to the ingredient list before using the product.

**Do not store in food processing or food storage areas. For professional use only.**
