

Kresto® Kwik WIPES

Heavy Duty Hand Cleansing Wipes

PRODUCT DESCRIPTION

Tough, extra large wipes for use without water. Formulated with powerful, solvent based cleansing ingredients to remove a broad spectrum of contaminants.

WHERE TO USE

For use at the work station and for mobile workers to remove oil, grease and general grime.

INSTRUCTIONS FOR USE

- Use a single wipe directly on hands
- Rub well until soiling is removed
- No rinsing necessary
- Dispose of used wipes in waste bin. Do not flush down toilet

Keep out of reach of children. If contact occurs with eyes, rinse with water. If swallowed, get medical help or contact a poison control center immediately.

FORMAT: WIPES

FEATURES	BENEFITS
Tough, extra large special wipe made from polypropylene with a slightly roughened surface	The strong fabric has superior dirt-removing properties and allows economical hand cleansing with just one wipe.
Skin friendly, powerful cleansing action	Acts quickly and effectively, leaving no sticky after feel. Powerful, heavy duty cleansing ingredients efficiently and conveniently removes oil, grease and grime.
No need for water	The wipes absorb contaminants from the skin with no need for rinsing with water.
Versatile and convenient	The handy, easy-to-use tub can be used on-the-move or kept at the work point and used as required with no need for water.
Pleasant fragrance	Makes the product pleasant to use and leaves the skin smelling fresh.
Contains skin conditioner	To help prevent drying, leaving the skin feeling smooth after use.
Hygienic	Stored in a sealed container to protect from contamination and ensure that each wipe is fresh when used.
Silicone-free	Suitable for use in any production sites where paint and surface coating processes are undertaken.
