

# Solopol® Classic

Solvent-free Heavy Duty Hand Cleansing Paste

**PRODUCT DESCRIPTION**

Lightly fragranced solvent-free hand cleanser with Astopon® natural scrubbing agent and Eucornol® emulsifying active to boost cleansing efficiency.

**WHERE TO USE**

For use in industrial environments to effectively remove heavy soiling.

**INSTRUCTIONS FOR USE**

- Apply 1 dose before adding water direct to soiled hands
- Rub in to loosen dirt
- Add a little water and continue washing
- Rinse with plenty of water and dry thoroughly

Keep out of reach of children. If contact occurs with eyes, rinse with water. If swallowed, get medical help or contact a poison control center immediately.

**FORMAT: PASTE**

FEATURES	BENEFITS
<b>Highly effective solvent free formula</b>	Specially formulated with mild, skin friendly ingredients to provide the same level of cleaning performance normally associated with solvent based products for general heavy duty cleansing. Effectively removes ingrained oil, grease, carbon black and lubricants.
<b>Contains Eucornol® emulsifying active</b>	Forms micelles that increase skin compatibility by emulsifying and encapsulating substances, helping to inhibit their potentially irritating effect.
<b>Contains emollients</b>	To help prevent drying, leaving the skin feeling smooth after use.
<b>Contains Astopon® natural scrubbing agent</b>	Astopon® is produced from refined walnut shell powder, a natural and renewable source. It helps provide a deep clean without damaging the skin and has no negative impact on the environment. The scrubbing agent is easily rinsed away, preventing blocked drains and pipes.
<b>Soap-free formulation with skin friendly pH value</b>	Formulated to maintain the skin's acid mantle; a layer on the surface of the skin which acts to help support the natural bacteria balance.
<b>Compatible with rubber production processes</b>	Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanization process.

### STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. SC Johnson Professional products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

### SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from [www.debgroup.com/ca/sds](http://www.debgroup.com/ca/sds).

### SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

### QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow Good Manufacturing Practice (GMP) and/or Cosmetic GMP requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

### PRODUCT SAFETY ASSURANCE

#### Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

#### Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

### COMPATIBILITY TESTS

#### Rubber Production Process Compatibility

In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with DIN EN ISO/IEC 17025, the use of Solopol® Classic in rubber production process does not influence the cohesive strength of rubber.

### INGREDIENTS

AQUA (WATER), JUGLANS REGIA (WALNUT) SHELL POWDER (ASTOPON®), LAURETH-5, SODIUM LAURETH SULFATE, SULFATED CASTOR OIL (EUCORNOL®), DISODIUM LAURETH SULFOSUCCINATE, SODIUM CHLORIDE, POLYGLYCERYL-3 CAPRATE, OLEIC ACID, TITANIUM DIOXIDE, SODIUM BENZOATE, CITRIC ACID, XANTHAM GUM, CELLULOSE GUM, POTASSIUM SORBATE, PARFUM, ALOE BARBADENSIS LEAF EXTRACT.
