

## PROTECT - SPECIALIST

# Stokoderm® Frost

Specialist Skin Protection Cream for Working in Cold Conditions

### PRODUCT DESCRIPTION

Stokoderm® Frost is a pre-work cream specially developed to help prevent hands, face and other exposed skin from becoming dry in cold working conditions.

### WHERE TO USE

Suitable for outdoor workers exposed to cold environmental conditions and indoor workers exposed to refrigerated environments. Can be used with gloves or PPE.

### INSTRUCTIONS FOR USE

- Apply as required to clean and dry skin before entering cold environment.
- Rub on all areas of exposed skin until absorbed.

NB: Where possible skin exposure to potentially harmful substances and environments should be avoided through the implementation of safe working practices and the use of appropriate Personal Protective Equipment. Where skin exposure cannot be avoided, it is recommended to use an appropriate skin protection cream as part of a complete skin care program to reduce the risk of occupational skin disease.

**FORMAT: CREAM**

Features	Benefits
Dual action formula	<ul style="list-style-type: none"> <li>• The unique formula is designed to work at low and sub-zero temperatures and be effective in helping to prevent skin dryness, a potentially serious health issue in extreme cold conditions.</li> </ul>
Anti-freezing formula	<ul style="list-style-type: none"> <li>• Specially formulated using low temperature stable ingredients</li> <li>• Product can be applied at temperatures as low as - 30°C without freezing</li> </ul>
Contains Panthenol, Glycerin and Allantoin	<ul style="list-style-type: none"> <li>• Allantoin is known for its skin regenerative properties.</li> <li>• Glycerin and Panthenol enhance the water holding capacity of the skin's upper layers and support the skin's own moisture system.</li> </ul>
Quickly and easily absorbs into the skin	<ul style="list-style-type: none"> <li>• Non greasy after-feel encourages regular use</li> <li>• Does not affect dexterity with hand held tools</li> </ul>
Specially formulated to also be used on the face	<ul style="list-style-type: none"> <li>• Ideal for application where the face might be exposed to cold</li> <li>• As a supplement to PPE will minimize the risk of skin irritations</li> </ul>
Silicone-free	<ul style="list-style-type: none"> <li>• The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.</li> </ul>

## INGREDIENTS

AQUA, GLYCERIN, ETHYLHEXYL STEARATE, SORBITOL, C16-20 ISOALKANE, DIETHYLHEXYL CARBONATE, PROPYLENE GLYCOL, POLYGLYCERYL-4 DIISOSTEARATE/ POLYHYDROXYSTEARATE/ SEBACATE, MAGNESIUM SULFATE, PANTHENOL, HYDROGENATED CASTOR OIL, PARAFFIN, CERA MICROCRISTALLINA, PARFUM ALLANTOIN, PHENOXYETHANOL.

## STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. Deb products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

## SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from [www.debgroup.com/ca/msds](http://www.debgroup.com/ca/msds).

## QUALITY ASSURANCE

Deb products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

## SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

## PACK SIZES

Stock Code	Size	Case Quantity
SFR30ML	30ml Tube	30
SFR100ML	100ml Tube	12

## CERTIFICATIONS

### BSIF Innovation Award

Stokoderm® Frost received a 2010 BSIF Safety Award for Product Innovation.

## PRODUCT SAFETY ASSURANCE

### Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

### Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

## EFFICACY TESTS

### Moisturizing Effect

The moisturising effect of Stokoderm® Frost was tested via application of the product twice daily at an interval of approx. 5 hours to the skin of test panellists, over 3 days. The starting values for the skin moisture were determined in the morning by means of the Corneometer® and before the first application and then again on the morning of the subsequent day. Results demonstrate that under repeated usage conditions, Stokoderm® Frost provides a significant increase in skin hydration over untreated skin.
