# Stokolan® Light Gel

Skin Moisturizing Gel for Normal Skin

### PRODUCT DESCRIPTION

Refreshing moisturizing care gel with non-greasy texture suitable for a daily care to help avoid dryness. Stokolan® Light Gel has a cooling effect and leaves the skin smooth & soft. It is extremely easy to apply, swiftly absorbed and does not leave any unpleasant or annoying oily film on your skin.

### WHERE TO USE

For use in industrial and healthcare work areas, offices and public washrooms.

### HOW TO USE

- Apply to clean and dry skin
- Use before any lengthy breaks and after finishing work

Use skin creams as part of a comprehensive hand hygiene program and to help prevent the onset of occupational skin disease.

**FORMAT: GEL**

## STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. Deb products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

## SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from [www.debgroup.com/ca/msds](http://www.debgroup.com/ca/msds).

## QUALITY ASSURANCE

Deb products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

## SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

## MOISTURIZATION TESTS

Tests to Determine the Care Effect: If used regularly, Stokolan® Light Gel has a very good moisturizing effect (test carried out by Deb Research and Development Department, Krefeld, Germany).

## PACK SIZES

SGE1L	1 litre cartridge	6

## PRODUCT SAFETY ASSURANCE

**Skin Compatibility Test:** The skin compatibility of Stokolan® Light Gel was tested using state of the art dermatological tests using voluntary tests panels. In these tests, as well as in practical use, Stokolan® Light Gel has proven to have very good skin compatibility.

**Toxicological Approval:** Formulation assessed by a toxicologist and declared safe to use.

**Sanitizer Compatibility Test:** The compatibility of Stokolan® Light Gel with alcohol-based hand sanitizers was tested using a modified prEN 12054 test protocol. It could be demonstrated that Stokolan® Light Gel does not negatively affect the kill rate of the tested hand sanitizers tested with different bacteria strains (test carried out by Deb Research and Development Department, Krefeld, Germany).

## CERTIFICATIONS

**ECARF Seal of Quality:** The European Centre for Allergy Research Foundation (ECARF) awards the ECARF-quality seal to allergy-friendly products. Cosmetics can receive this seal when the following criteria are met:

1. Quantitative risk assessment of the product ingredients with respect to their potential for sensitization, taking into account their specified conditions of use and amount
2. Medically supervised clinical trials by volunteers with atopic dermatitis
3. Approved system of quality control management
