

## RESTORE

# Stokolan® Sensitive PURE

Regenerating Sensitive Skin Cream for Dry and Stressed Skin

### PRODUCT DESCRIPTION

A perfume-free and dye-free skin care cream without preservatives, particularly suited for sensitive and allergy-prone skin types. Stokolan® Sensitive PURE is enriched with the moisturizing agents Glycerin, Urea and Creatine.

### WHERE TO USE

For use in industrial, food and healthcare environments, especially where employees have sensitive skin.

### HOW TO USE

- Apply to clean and dry skin
- Use before any lengthy breaks and after finishing work

Use skin creams as part of a comprehensive hand hygiene program and to help prevent the onset of occupational skin disease.

**FORMAT: CREAM**

## STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. Deb products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

## SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from [www.debgroup.com/ca/msds](http://www.debgroup.com/ca/msds).

## QUALITY ASSURANCE

Deb products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

## SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

## PACK SIZES

Stock Code	Size	Case Quantity
SSP100ML	100ml tube	12

## PRODUCT SAFETY ASSURANCE

**Skin Compatibility Test:** The skin compatibility of Stokolan<sup>®</sup> Sensitive PURE was tested using state of the art dermatological tests using voluntary test panels. In these tests, as well as in practical use, Stokolan<sup>®</sup> Sensitive PURE has proven to have very good skin compatibility.

**Toxicological Approval:** Formulation assessed by a toxicologist and declared safe to use.

## SUITABLE FOR FOOD HANDLING

**HACCP Assessment:** The ingredients and the formulation have been evaluated by a toxicologist with the following result: Human health is not endangered and no unacceptable change in the composition of food takes place through direct and indirect contact of foodstuff by Stokolan<sup>®</sup> Sensitive PURE after having being used for skin care of the hands; therefore foodstuff will not be adversely affected with regard to "food hygiene" and hence basic requirements of the HACCP concept are fulfilled.

## CERTIFICATIONS

**ECARF Seal of Quality:** The European Centre for Allergy Research Foundation (ECARF) awards the ECARF-quality seal to allergy-friendly products. Cosmetics can receive this seal when the following criteria are met:

1. Quantitative risk assessment of the product ingredients with respect to their potential for sensitization, taking into account their specified conditions of use and amount
2. Medically supervised clinical trials by volunteers with atopic dermatitis
3. Approved system of quality control management
