

Solopol®

Heavy Duty Hand Cleaner

PRODUCT DESCRIPTION

Solvent-free hand cleaner with scrubbing agents to remove water based lacquers, heavy oil and grease. Lightly Perfumed.

WHERE TO USE

For use in industrial environments to effectively remove heavy soiling.

INSTRUCTIONS FOR USE

- Apply 1 dose before adding water direct to soiled hands
- Rub in to loosen dirt
- Add a little water and continue washing
- Rinse with plenty of water and dry thoroughly

This product complies with Standard No: PCPv5.0-2022, GECA Standard which can be read at www.geca.eco. GECA's Ecolabel trade mark indicates the environmental performance of a product has been certified from multi-criteria perspective. Products that carry the trade mark are certified environmentally preferable by GECA.

FEATURES	BENEFITS
Highly effective solvent-free formula	Specially formulated to provide the high level of cleaning performance normally associated with solvent based products for general heavy duty cleansing.
Unique surfactant system	An optimised blend of surfactants to create a unique mixed micellar cleaning system which penetrates, lifts and solubilises a wide range of ingrained oil, grease, carbon black, lubricants, water-based lacquers and resins. Minimises re-deposition of soil residue to improve cleaning.
Contains Astopon® scrubbing agent	Astopon® scrubbing agent is produced from walnut shell powder. It is easily rinsed away, helping to prevent blocked drains and pipes.
Mild preservative	Specially formulated with one of the mildest preservatives to reduce the risk of skin irritation from using this product.
Good Environmental Choice Australia Certified Product ¹	This product complies with Personal Care Products standard (PCPv5.0-2022), GECA Standard which can be read at www.geca.eco . GECA's Ecolabel trade mark indicates the environmental performance of a product has been certified from multi-criteria perspective. Products that carry the trade mark are certified environmentally preferable by GECA.
Formulated with a low pH value (4.0-6.5)	Formulated with a low pH value to help minimise disruption from product use to the skin's acid mantle, a natural layer which acts to help support the natural bacteria balance.
Contains emollients	To help prevent drying, leaving the skin feeling smooth after use.
Silicone-free	Reduces the risk of silicone-related compatibility issues, if in contact with surfaces prior to the application of paint or surface coatings.
Compatible with rubber production processes	Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanisation process.

Solopol®

Heavy Duty Hand Cleaner

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from scjp.com/en-sea/safety-data-sheets.

SHELF LIFE

This product has a shelf life of 30 months from the date of manufacture when stored unopened at room temperature.

CERTIFICATIONS

Good Environmental Choice Australia

The Good Environmental Choice Australia Ecolabel certification scheme is Australia's leading environmental certification program. GECA's Ecolabel trade mark indicates the environmental performance of a product has been certified from multi-criteria perspective. Products that carry the Ecolabel trade mark are certified environmentally preferable by GECA.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow appropriate quality assurance practices, including with respect to quality control processes for raw materials and finished goods, and comply with any regulatory requirements applicable to the manufacturing of such products.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use.

Product Safety Assessment

The product has been assessed by an independent toxicologist and has been declared to be safe for use on the hands and wrists of adults aged 16 and above when used as directed, meeting all relevant regulatory requirements.

COMPATIBILITY TESTS

Rubber Production Process Compatibility

In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with DIN EN ISO/IEC 17025, the use of Solopol® hand cleaner in rubber production process does not influence the cohesive strength of rubber.
