

Manual Skincare Dispensers

PRODUCT DESCRIPTION

Unique range of 1 litre sealed cartridge dispensers that meet the distinct needs of any office or public facility environment.

WHERE TO USE

For exclusive use with SC Johnson Professional 1L cartridge products.

METHOD OF USE

Large, 'easy-push' buttons dispense a controlled dose of product appropriate for the application required and empty cartridges are easily replaced in seconds.

	DESCRIPTION	BENEFITS
FEATURES	Robust and long-life	Dispensers are guaranteed against normal wear and tear, subject to correct installation, usage and dispenser care. Manual dispensers are warranted for their lifetime. Warranty applies only to dispensers exclusively using SC Johnson Professional products. Other terms and conditions apply: warranty.scjp.com .
	Robust Design	All SC Johnson Professional dispensers are manufactured from durable plastic components and rigorously tested for high usage environments, providing assurance of quality and longevity.
	Replacement Parts Available	In case of vandalism or accidental damage, replacements parts can be provided allowing for repairs without taking the dispenser off the wall.
	Fixed product dose	Delivers the exact amount required, controlling usage and reducing waste.
	Hygienic, airless cartridge	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
	Minimal waste	The air-tight cartridges are designed to collapse during use ensuring full evacuation of product with minimal wastage.
	Large push button	Minimize the operation force required to allow easy use by hand or elbow; suitable in hygiene sensitive areas.
HANDLING	Simple cartridge replacement	Designed for exclusive use with SC Johnson Professional product cartridges to be replaced in seconds, reducing maintenance time and costs.
	Unique locking mechanism	Helps prevent unauthorized access, pilferage and product contamination.
