

# Refresh™ Azure FOAM

Signature Fragrance Fresh Apple Foam Hand Soap

## PRODUCT DESCRIPTION

A mild, foam hand soap with added moisturizers and lightly scented with a Signature Fragrance of Fresh Apple. Cleanse hands and remove over 99% of dirt and germs when used properly.

## WHERE TO USE

Washroom areas in any commercial setting (ex. offices, schools and public facilities).

## INSTRUCTIONS FOR USE

- Apply one shot to wet or dry hands
- Rub across all parts of the hands
- Rinse off with clean water
- Dry thoroughly

If swallowed, get medical help or contact a poison control center immediately. If contact occurs with eyes, rinse with water.

**FORMAT: FOAM**

| FEATURES                                   | BENEFITS                                                                                                                                                                                                                         |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Azure Signature Fragrance                  | A Fresh Apple fragrance with caring, pleasantly fresh and clean notes to elevate the washroom experience for everyday use. Proven to have broad appeal amongst washroom users.                                                   |
| Mild Formulation                           | Dermatologist tested to verify and confirm this product does not elicit dermal irritation.                                                                                                                                       |
| Mild Preservative                          | Specially formulated with one of the mildest preservatives to reduce the risk of skin irritation when using this product.                                                                                                        |
| Contains Skin Moisturizer                  | Helps prevent drying and leaves the skin feeling smooth after use.                                                                                                                                                               |
| Removes over 99% of Dirt and Germs         | Just a single pump is required to deliver highly effective skin cleansing when used properly.                                                                                                                                    |
| Green Seal™ Certified AZU10FL <sup>1</sup> | This product meets Green Seal™ Standard GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. <a href="http://www.greenseal.org">www.greenseal.org</a>                         |
| ECARF Certified <sup>2</sup>               | This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for being well tolerated by sensitive skin. <a href="http://www.ecarf-siegel.org/en/about-seal">www.ecarf-siegel.org/en/about-seal</a> . |
| ECOLOGO® Certified <sup>3</sup>            | PRODUCT CERTIFIED FOR REDUCED ENVIRONMENTAL IMPACT. VIEW SPECIFIC ATTRIBUTES EVALUATED: <a href="http://UL.COM/EL">UL.COM/EL</a> UL 2784                                                                                         |
| Excellent Cost in Use                      | Highly economical, only one dose is required to provide effective hand cleansing. Provides over 57% more washes and uses 36% less product compared to lotion soap. <sup>4</sup>                                                  |
| Reduces Water Consumption                  | Independent tests show that washing hands with foam soap rather than lotion soap can reduce average water during handwashing consumption by as much as 45%.                                                                      |
| High Quality Smooth Foam                   | Pleasant silky-smooth skin feel when washing; helps reinforce good handwashing practice.                                                                                                                                         |
| Convenient, Quick and Easy                 | Dispenses foam on the hands which is instantly ready for washing and quick & easy rinsing from hands and sinks.                                                                                                                  |

## Signature Fragrance Fresh Apple Foam Hand Soap

### SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from <https://www.scjp.com/en-ca/safety-data-sheets>

### SHELF LIFE

This product has a shelf life of 30 months from the date of manufacture when stored unopened at room temperature.

### CERTIFICATIONS

#### Green Seal™

AZU10FL meets Green Seal™ Standard GS-41A for Hand Cleaners for Industrial and Institutional Use. The Green Seal certification represents compliance with criteria designed to achieve leadership levels in sustainability by meeting requirements for product performance, human & environmental toxicity, and product packaging and labeling. For more information and to view the specific standard, visit [www.greenseal.org](http://www.greenseal.org)

#### ECARF Seal of Quality

This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. Cosmetics can receive the seal of quality for meeting the following criteria:

1. Quantitative risk assessment of the product ingredients with respect to their potential for sensitization, taking into account their specified conditions of use & amount.
2. Medically supervised clinical trials by volunteers with atopic dermatitis
3. Approved system of quality control management.

For more information, go to [www.ecarf-siegel.org/en/about-seal](http://www.ecarf-siegel.org/en/about-seal).

#### ECOLOGO® Certification

This product is certified to meet ECOLOGO® UL 2784 Standard. ECOLOGO® certifications are voluntary, multi-attribute, life cycle based environmental certifications that indicate a product has undergone scientific testing, auditing, or both, to confirm its compliance with such standard. For more information and to view the specific standard, visit [UL.com/el](http://UL.com/el).

### QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow appropriate quality assurance practices, including with respect to quality control processes for raw materials and finished goods, and comply with any regulatory requirements applicable to the manufacturing of such products.

AZU1L and AZU120TF are made in Canada with domestic and imported materials.

AZU2LT is formulated and assembled in Canada with imported components.

### INGREDIENTS

AQUA (WATER), SODIUM LAURETH SULFATE, SODIUM BENZOATE, GLYCERIN, COCAMIDOPROPYL BETAINE, PEG-7 GLYCERYL COCOATE, CITRIC ACID, PARFUM (FRAGRANCE), BLUE 1 (CI 42090).

### PRODUCT SAFETY ASSURANCE

#### Skin Compatibility Test

Independent clinical dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models shows the product to be non-irritating in use.

#### Product Safety Assessment

The product has been assessed by an independent toxicologist and is declared safe for intended use on hands of adults and children when used as directed, meeting all relevant regulatory requirements.

### EFFICACY TESTS

#### Mild Formulation

Refresh™ Azure FOAM did not demonstrate a potential for eliciting dermal irritation or sensitization after conducting an independent 8-week Repeat Irritation Patch Test (RIPT).

#### Water Saving

Independent tests show that washing hands with foam soap rather than lotion soap can reduce average water consumption by as much as 45% when using a modified hand wash approach of dispensing soap on dry hands and turning the tap on only when rinsing off (SC Johnson Professional Sponsored Study: How a simple change in the washroom can significantly reduce water consumption and associated costs. Durrant and McKay, 2011).

#### Dirt Removal

The hands of healthy volunteers were pre-washed, treated with an artificial soil media and washed using a dosage size of 1 shot (0.7ml) of Refresh™ Azure FOAM. The residual dirt and cleaning efficacy, respectively was determined after each wash procedure and in this test 99.4% of visible dirt was removed.

#### Germ Removal

0.7ml of Refresh™ Azure FOAM was tested for a 30 second wash time. Results show Refresh™ Azure FOAM achieved over 99% removal.

### PACK SIZES

| STOCK CODE | SIZE                         | CASE QUANTITY |
|------------|------------------------------|---------------|
