

## Duck® Fresh Discs® Lime

FRESHEN WITH EVERY FLUSH

Duck® Fresh Discs® Lime effortlessly freshen with every flush and help prevent limescale

### Product Description

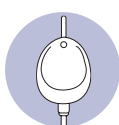

Did you know that traditional toilet cleaner cages can harbour germs? Duck® Fresh Discs® Lime have a gel based formula that self-sticks to the toilet bowl so you don't need to handle germy cages. Fresh Discs prevent the build up of limescale and stains<sup>1</sup>. Just stick it to the inside rim of the toilet bowl or urinal so you can keep things clean. Starter kit contains handle and 6 gel discs and there's also a dual refill that includes 12 gel discs.

- Formula leaves a flush-activated protective shield all around the bowl that helps repel limescale
- With a lime scent that gives 24/7 freshness to the whole room, not just the bowl<sup>2</sup>
- Tube of 6 lasts up to 630 flushes<sup>3,4</sup>
- Refill pack of 12 discs gives up to 15 weeks of long-lasting freshness<sup>3,4</sup>
- Use with Duck Biodegradable Toilet Gel to extend the just cleaned freshness

## Instructions for use:

### Ensure the toilet is clean.

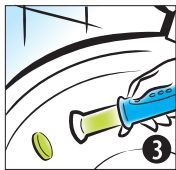

After application, the gel disc may be attractive to children. Use the product in a place least visible to children.

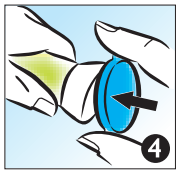

1. SNAP. Align large button on gel holder with holes on handle. Remove cap and keep it.

2. POSITION. Position clear end of gel holder against inside surface of bowl, where water will flow when flushed.

3. DISPENSE. Press and hold button whilst pushing dispenser against bowl until button clicks. Do not twist.

4. Pull dispenser straight back to leave a gel disc. Finally CLOSE CAP tightly. Flush toilet to activate gel disc.

After dispensing the last gel disc, twist the gel holder slightly and remove from dispenser. Keep handle for refill.
