

Stokolan® Hand & Body

Skin Conditioning Gel

PRODUCT DESCRIPTION
A fast absorbing, easy to apply skin conditioning gel for all areas of the body to help hydrate and care for normal to dry skin. Lightly perfumed.

WHERE TO USE
For use by those with normal to dry skin from daily working in industrial, healthcare, office and commercial areas.

- INSTRUCTIONS FOR USE**
- Apply 1ml to clean and dry skin prior to extended breaks and at the end of the working day.
 - Rub on all areas of the hands, including between the fingers and around the fingernails.
 - Can also be used on the face.
 - Apply regularly as part of a skin care routine.

	DESCRIPTION	BENEFITS
FEATURES	Fast absorbing non-greasy gel	Specifically formulated for quick and easy use without leaving greasy, sticky residue on the skin.
	Hydrates skin	Clinically proven to significantly improve skin hydration when used regularly.
INGREDIENTS	Contains Allantoin	Supports the moisturisation effect and helps condition the skin.
	Contains Glycerin	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
	Contains Creatine	Included to encourage the skin's own production of barrier lipids and support cell renewal.
	Silicone-free	Reduces the risk of Silicone related compatibility issues, if in contact with surfaces prior to the application of paint or surface coatings.
CERTIFICATES/ COMPATIBILITY	ECARF Certified¹	This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. https://www.ecarf-institute.org/en/ecarf-seal/
	Compatible with alcohol-based hand sanitisers	Can be used in hygiene sensitive areas where hand sanitising procedures are necessary.
	Chlorhexidine Gluconate (CHG) Compatible	Stokolan Hand & Body does not decrease the residual activity of CHG.
	Compatible with rubber production processes	Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanisation process.

Skin Conditioning Gel

STATUTORY REGULATIONS

This product is a cosmetic product regulated by and complying in GB with the GB Cosmetics regulation (Schedule 34 of the Product Safety and Metrology etc. (Amendment etc.) (EU Exit) Regulation 2019 (as amended)) & in ROI/NI with EC No 1223/2009 (as amended) on Cosmetic Products.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from <https://www.scjp.com/en-gb/safety-data-sheets>

SHELF LIFE

This product has a shelf life of 30 months from the date of manufacture when stored unopened at room temperature.

CERTIFICATIONS

ECARF Seal of Quality

This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. Cosmetics can receive the seal of quality for meeting the following criteria:

1. Quantitative risk assessment of the product ingredients with respect to their potential for skin sensitisation, taking into account their specified conditions of use and amount.
2. Medically supervised clinical trials by volunteers with atopic dermatitis.
3. Approved system of quality control management.

For more information go to <https://www.ecarf-institute.org/en/ecarf-seal/>

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow appropriate quality assurance practices, including with respect to quality control processes for raw materials and finished goods, and comply with any regulatory requirements applicable to the manufacturing of such products.

INGREDIENTS

AQUA (WATER), ISOAMYL COCOATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, GLYCERIN, POLYGLYCERYL-3 DICITRATE/STEARATE, MYRISTYL MYRISTATE, HYDROXYACETOPHENONE, ALLANTOIN, CREATINE, STEARYL ALCOHOL, HYDROGENATED CASTOR OIL, ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER, PARFUM (FRAGRANCE), CERA MICROCRISTALLINA, PARAFFIN, SODIUM HYDROXIDE

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use.

Product Safety Assessment

The product has been assessed by an independent toxicologist and is declared safe for intended use on hands and body of adults aged 16 years and above when used as directed, meeting all relevant regulatory requirements.

COMPATIBILITY TESTS

Rubber Production Process Compatibility

In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with DIN EN ISO/IEC 17025, the use of Stokolan® Hand & Body in rubber production process does not influence the cohesive strength of rubber.

Sanitiser Compatibility Test

The compatibility of Stokolan® Hand & Body with alcohol-based hand sanitisers was tested using a modified EN13727 test protocol. Results show that Stokolan Hand & Body does not negatively affect the efficacy of alcohol based hand sanitisers against *Ps aeruginosa*, *E coli*, *S aureus* and *E hirae*.

Chlorhexidine Gluconate (CHG) Compatible

In independent testing, the application of Stokolan® Hand & Body cream to the skin of the volar forearm post washing with a reputable CHG containing skin cleanser, did not impact the residual antibacterial efficacy of the CHG cleanser, when tested against the *bacterium A. radioresistens*. The independent laboratory found there was no statistically significant difference between the log reduction values of the bacterium vs the untreated controls obtained by the CHG cleanser combined with Stokolan® Hand & Body cream and those obtained by the CHG cleanser on its own.

EFFICACY TESTS

Skin Hydration Test

During a 2-week application period, the hydrating effect of Stokolan® Hand & Body was tested using 15 panellists. Results show that after one week application of Stokolan® Hand & Body, the skin hydration level had risen by 6.5% and after 2 weeks it had risen by 8.4%. Stokolan® Hand & Body enhances skin moisture content when used as directed and as part of a comprehensive skin care regime.

14 Day Skin Hydration Test

NB: After-work skin care creams help to maintain the skin in good condition keeping it strong and healthy, avoiding dryness. Using care creams is an important element in skin care best practice.
