

Stokolan® LIGHT *PURE*

Skin Conditioning Cream

PRODUCT DESCRIPTION

Lightly textured skin conditioning cream designed for professional use to help care for normal to dry skin. Fragrance-free and dye-free.

WHERE TO USE

For use by those with moderate skin dryness from daily working in all areas of healthcare facilities, including patient care, food handling areas, office and environmental services.

INSTRUCTIONS FOR USE

- Apply 1mL to clean and dry skin prior to extended breaks and at the end of the working day
- Rub on all areas of the hands, including between the fingers and around the fingernails
- Can also be used on the face

FORMAT: CREAM

EFFICACY

FEATURES	BENEFITS
Contains Glycerin	A skin moisturizer to help prevent drying and leave the skin feeling smooth after use.
Contains Shea Butter	An emollient known for its excellent care and skin nourishing properties. Included to help lock in hydration to condition dry and rough skin.
Contains Allantoin	Supports the moisturization effect and helps condition the skin.

SAFETY & COMPLIANCE

FEATURES	BENEFITS
Compatible with alcohol based hand sanitizers	Can be used in hygiene sensitive areas where hand sanitizing procedures are necessary.
Chlorhexidine Gluconate (CHG) Compatible	Does not decrease the residual activity of CHG.
Proven glove compatibility	Suitable for use with latex, vinyl and nitrile gloves.
Skin Hypoallergenic	This product is tested by an independent dermatologist using Human Repeat Insult Patch Tests (HRIPT) to verify and confirm this product does not irritate the skin and has very low allergenic potential.
Suitable for food facilities	The product has been independently evaluated and proven to not have the potential to taint food. Food handlers should use product only in accordance with usage instructions and product should not come directly into contact with food or items that contain food.
ECARF Certified	This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. For more information go to https://www.ecarf-institute.org/en/ecarf-seal/

USER EXPERIENCE

FEATURES	BENEFITS
Fragrance-Free and Dye-Free	Designed for people who are sensitive to fragrances and dyes and who prefer products which do not have these added.
Non-greasy formula	Designed for normal to dry skin to absorb and leave no greasy afterfeel, encouraging regular use and maintaining good skin condition.

Stokolan® LIGHT PURE

Skin Conditioning Cream

STATUTORY REGULATIONS

This product is a cosmetic product, manufactured and labeled in compliance with the Federal Food, Drug and Cosmetic Act and with the related regulations issued by the Food and Drug Administration (FDA).

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from SDS library on <https://www.scjp.com/en-us/safety-data-sheets>

SHELF LIFE

This product has a shelf life of 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

CERTIFICATIONS

ECARF Seal of Quality

This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. Cosmetics can receive the seal of quality for meeting the following criteria:

1. Quantitative risk assessment of the product ingredients with respect to their potential for sensitization, taking into account their specified conditions of use & amount.
2. Medically supervised clinical trials by volunteers with atopic dermatitis.
3. Approved system of quality control management.

For more information, go to <https://www.ecarf-institute.org/en/ecarf-seal/>

SUITABLE FOR USE IN FOOD HANDLING

When used as instructed, Stokolan® Light PURE cream does not influence the quality of foodstuffs. The product has been independently tested according to Sensory Analysis - Methodology - Triangle Test BS EN ISO 4120:2007 and has been proven to not have the potential to taint food, thereby supporting and meeting HACCP standards for impact on the smell and taste of foodstuffs.

INGREDIENTS

Aqua (Water), Dicaprylyl Ether, Cetearyl Alcohol, Glycerin, Ceteareth-20, Phenoxyethanol, Ethylhexylglycerin, Butyrospermum Parkii (Shea) Butter, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Allantoin, Sodium Benzoate, Tetrasodium Iminodisuccinate, Sodium Hydroxide

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow appropriate quality assurance practices, including with respect to quality control processes for raw materials and finished goods, and comply with any regulatory requirements applicable to the manufacturing of such products.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use.

Product Safety Assessment

The product has been assessed by an independent toxicologist and has been declared to be safe for its intended use on the hands, face and neck of adults aged 16 and above, when used as directed, meeting all relevant regulatory requirements.

Skin Hypoallergenic Risk Assessment

The formulation has been assessed by an independent toxicologist to be formulated in such a way as to provide either minimal or no risk of provoking allergic skin response and thus meets the requirements for being described as 'Hypoallergenic' (Delphic Solutions Ltd, UK).

COMPATABILITY TESTS

Glove Compatibility

In independent testing, the use of Stokolan® Light PURE cream combination with reputable latex, vinyl and nitrile gloves does not have any deleterious effect on the glove tensile properties using BS EN 455-2:2009 test methodology.

Sanitizer Compatibility Test

The compatibility of Stokolan® Light PURE cream with alcohol-based hand sanitizers was tested using a modified EN13727 test protocol. Results show that Stokolan® Light PURE cream does not negatively affect the efficacy of alcohol based hand sanitizers against *Ps aeruginosa*, *E coli*, *S aureus* and *E hirae*.

EFFICACY TESTS

Skin Hypoallergenic

The fragrance-free and dye-free formulation did not demonstrate a potential for eliciting dermal sensitization after conducting an independent 6 week Human Repeat Insult Patch Test (HRIPT).

Allergy sufferers should always refer to the ingredient list before using the product.

Skin Hydration Test

The moisturizing properties of Stokolan® Light PURE cream were assessed via application of the product twice daily at an interval of approx. 5 hours to the forearm skin of healthy volunteers over a 4 day test period. The starting values for the skin moisture were determined in the morning by means of the Corneometer®, before the first application, and then again on the morning of the subsequent day.

Results show that under repeated usage conditions, Stokolan® Light PURE cream provides the skin with consistent levels of increased hydration; over 1.5x more than untreated skin. This demonstrates that the skin moisture is clearly improved by Stokolan® Light PURE cream when used regularly.
