

OFF!® Deep Woods® MAX Insect Repellent

Provides up to 10 hours of protection against mosquitoes and ticks.

**DEET
FREE***

Product Description

Step into the wild with confidence. OFF!® Deep Woods® MAX insect repellent is your essential companion for every outdoor pursuit, from the deepest forests to the most serene fishing spots. Engineered for the serious adventurer, this powerful bug repellent provides up to 10 hours of dependable protection against mosquitoes and ticks, letting you focus on the journey, not the bites. Deep Woods® MAX bug spray is specifically formulated to be gear-safe, so you can spray freely without worrying about damaging your expensive activewear, plastics or painted surfaces. Its fragrance-free and non-greasy formula also ensures a comfortable experience, allowing you to blend seamlessly into your environment. Powered by Picaridin, it offers proven defense against mosquitoes that may carry serious diseases like West Nile, Dengue, Zika or Chikungunya.

Features & Benefits:

- **Up to 10 hours of Protection:** Long lasting defense against mosquitoes and ticks
- **Gear-Safe Formula:** Won't damage activewear, plastics or painted surfaces
- **Fragrance-free and Non-greasy:** Enjoy comfortable, undetectable protection
- **Picaridin-powered:** Made with Picaridin and is DEET free*
- **Effective repellent against:** Ticks, biting flies and mosquitoes that may carry West Nile, Dengue, Zika or Chikungunya
- **Ideal for outdoor enthusiasts:** For hunters, fishermen, campers and hikers

Safety Information

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Use of this product may cause reactions in rare cases. Wash thoroughly with soap and water after handling.

Remove and wash contaminated clothing before reuse.

FIRST AID: Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS: FLAMMABLE:

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Directions for Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Before use: read and follow all directions and precautions on this product label. Use only as directed.

- Hold container approximately 6 inches from skin and spray with a slow sweeping motion.
- Do not apply over cuts, wounds, irritated or sunburned skin.
- Do not spray in enclosed areas. Use just enough repellent to cover exposed skin.
- Do not use under clothing. Avoid over-application of this product.
- For continued insect protection on adults, reapply as effectiveness diminishes, but not to exceed 3 applications per day.
- For children 1-10 years, only apply one time per day. Frequent reapplication and saturation are unnecessary.
- Apply sparingly around ears.
- When using on children, apply to your own hands and then put it on the child. Do not apply to children's hands. Do not allow children to handle this product.
- After returning indoors, wash treated skin with soap and water. Spread evenly with hands to moisten all exposed skin.

TO APPLY TO FACE: Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth.
