

# Cutan® ANTIBAC LOTION

LOTION HAND WASH

**WASHROOM**

FORMAT: **LOTION**

PERFUME-FREE

PLEASANT  
TO USE

ANTIBACTERIAL

## PRODUCT DESCRIPTION

**A highly effective, perfume-free antibacterial lotion hand wash.**

## WHERE TO USE

Suitable for use in healthcare and food handling environments where dirty or greasy hands are encountered e.g. estates, food manufacturing / processing, catering and food service.

## WHEN TO USE

**Healthcare environments** – use hand wash as per the World Health Organisations '5 Moments of Hand Hygiene' recommendations.

## HOW TO USE

**For general hand washing** – apply 3 doses (3ml) to WET hands and rub in well across all parts of hands for 60 seconds. Rinse hands thoroughly with clean running water and dry well.

FEATURES	BENEFITS
<b>Effective biocidal action</b>	The formulation is based on a blend of two biocidal agents - Chlorhexidine Digluconate (CAS 18472-51-0) 0.60% w/w and Didecylidmonium Chloride (CAS 7173-51-5) 1.52% w/w – to produce a highly effective biocidal action.
<b>Perfume-free</b>	Designed for people who are sensitive to perfumes and who prefer products which do not have these added.
<b>Effective cleansing</b>	Formulated to remove greasy soilings, such as animal and vegetable oils and fats, as well as food mixes.
<b>Suitable for food facilities</b>	Product has been independently evaluated and trace amounts of the product are not expected to cause adverse toxicological effects. Food handlers should use product only in accordance with label instructions and product should not come directly into contact with food or items that contain food.
<b>Pleasant to use</b>	Rich lotion consistency ensures it is pleasant to use and leaves the skin feeling fresh.
<b>Contains Glycerin</b>	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.

## LOTION HAND WASH

### STATUTORY REGULATIONS

This product meets the current national regulations for Biocidal products.

### SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to our Safety Data Sheet which can be downloaded from [www.scjp.com/msds](http://www.scjp.com/msds).

### HANDLING INSTRUCTIONS

Use biocides safely. Always read the product instructions before use. Please refer to the label or SDS sheet for safety information.

### SHELF LIFE

This product has a shelf life of 30 months.

### SUITABLE FOR USE IN FOOD HANDLING

The use of Cutan® ANTIBAC LOTION, as per usage instructions, does not influence the quality and safety of foodstuffs.

Product should not come directly into contact with food or items that touch food.

The product has been assessed using the HACCP hazard analysis methodology. The following critical control points were identified and are controlled as follows -

1. Impact on smell and taste of foodstuffs - The formulation has been independently tested according to 'Sensory Analysis - Methodology - Triangle Test BS EN ISO 4120:2007' and proven to not have the potential to taint food.
2. Possible toxic effects of ingredients - An independent oral toxicological evaluation was performed and concluded that any foodstuffs which may contain trace amounts of the product are unlikely to cause adverse toxicological effects.

### QUALITY ASSURANCE

SC Johnson Professional® products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

### PRODUCT SAFETY ASSURANCE

#### Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use.
