

Swarfega® Jizer Bio

Powerful Solvent-Free Degreaser

PRODUCT DESCRIPTION

Water-based detergent degreaser that quickly removes oils, greases, and general dirt and grime from vehicles, components, machinery and floor surfaces.

INSTRUCTIONS FOR USE

Can be applied by dipping, brushing, wiping or through low or high pressure sprayers, or in conjunction with mechanical cleaning equipment. Once applied can be left for a few minutes to break down soilings. Remove by rinsing with water.

DILUTION GUIDE

Can be used neat or up to 1:5 dilution for heavy soilings, 1:10 for lighter soilings (use of hot water will increase product's cleaning ability).

Note: Before use, test compatibility with surface to be cleaned by applying to a small area first.

HANDLING AND DISPOSAL

Spillage: Stop leak if possible without risk. Absorb in vermiculite, dry sand or earth and place into containers. Flush contaminated area with plenty of water. Avoid contamination of ponds or watercourses with washing down water. Disposal: Waste should be treated as controlled waste. Dispose of waste to licensed waste disposal site in accordance with the requirements of the local Waste Disposal Authority.

FEATURES	BENEFITS
Versatile	Suitable for use on most hard surfaces such as vehicles, engines, chassis, mechanical components and machinery, floors and walls.
Powerful Surfactant Blend	Concentrated cleaning action breaks down the heaviest deposits, removing oils, greases, general dirt and grime.
Concentrated	Can be used neat or diluted depending on the level of soiling for maximum cost efficiency.
Solvent Free	Low odour and no fumes makes it more pleasant and safer to use in confined spaces.
