

Swarfega® Marinol

Concentrated Marine Degreaser and Heavy Duty Cleaner

PRODUCT DESCRIPTION

Concentrated degreaser and heavy duty cleaner to remove oil, grease, fats and algae from hulls, bilges, tanks and decks.

INSTRUCTIONS FOR USE

Use neat or dilute using dilution guide. May be applied by brush, cloth, sprayer or pressure washers (for heavy deposits: feed neat into machine, adjust detergent valve until satisfactory performance is obtained. For normal to light deposits: pre-dilute up to 1:4). Allow solution to remain on surface for 5 - 10 minutes where possible, but DO NOT allow to dry on painted surfaces. Rinse well with water.

DILUTION GUIDE

Can be used neat or diluted with water depending on surface to be cleaned

- Dilute 1:40 - 1:80 (1.2 - 2.5%) for general cleaning & degreasing
- Dilute 1:10 - 1:40 (10% - 2.5%) for heavy cleaning & degreasing
- Dilute 1:10 - 1:80 (10% - 2.5%) for floor scrubbing machinery
- The use of hot water will increase the product's cleaning ability.

HANDLING AND DISPOSAL

Store in original sealed container and protect from extremes of temperature. In event of spillage hose away with water. Avoid accidental contact with surfaces or materials this product is not intended to be used on. This packaging is recyclable or can be disposed of, if well drained, as normal domestic or industrial waste. Waste should be disposed of according to local, national and international regulations. Not classified as a Marine pollutant. Not classified as hazardous under the International Marine Dangerous Goods (IMDG) regulations.
