Stock Code	Size	Case Quantity
AMCA1L	1 liter cartridge	6

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test: The 48hr Single Patch Test results have been validated by a dermatologist to show the product to be 'non-irritant'.

EFFICACY TESTS

Water Saving: Independent tests show that washing hands with foam soap rather than lotion soap can reduce average water consumption by as much as 45% (Conclusion of report: "How a simple change in the washroom can significantly reduce water consumption and associated costs", Durrant and McKay, 2011).

Time Kill Efficacy: Product exhibits a strong activity against a variety of Gram-positive and Gram-negative bacteria. In most instances, the reduction rates were greater than 99.99% after a 15 second exposure period.
