

DISPENSERS

Deb Stainless Steel Dispenser

Unique stainless steel 1 liter closed, sealed cartridge dispenser that meets the distinct needs of any workplace and public facility environment.

WHERE TO USE

For use in washrooms where a higher sense of security is needed, i.e. prisons, mental institutions, schools.

METHOD OF USE

Large, easy-push buttons dispense a controlled dose of product appropriate for the application required and empty cartridges are easily replaced in seconds.

FEATURES	BENEFITS
Guaranteed for life	<ul style="list-style-type: none"> Deb's Stainless Steel dispenser is manufactured from tough stainless steel components and rigorously tested for high usage environments, providing assurance of quality and long-term cost efficiency
Large push buttons	<ul style="list-style-type: none"> Minimizes the operation force required to allow easy use by hand or elbow; suitable in hygiene-sensitive areas
Fixed product dose	<ul style="list-style-type: none"> Delivers the exact amount required, controlling usage and reducing waste
Security	<ul style="list-style-type: none"> Unique metal locking mechanism helps prevent unauthorized access and product contamination
Simple cartridge replacement	<ul style="list-style-type: none"> Designed for exclusive use with Deb skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs
Hygienic, airless cartridges	<ul style="list-style-type: none"> The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time
No wastage	<ul style="list-style-type: none"> The air-tight cartridges are designed to collapse during use ensuring full evacuation of product with no wastage
No mess	<ul style="list-style-type: none"> Non-drip, non-clog pump mechanisms ensure no mess.
