

Product Information Sheet

Description: A dual sided scrubber towel with a fresh cherry scent. Removes tough soils including ground in grease, grime, oil based paints, adhesives, sealants and tar. Cherry scent neutralizes heavy petroleum odor on hands leaving them fresh and clean.

Usage: Portable and ideal when sinks are not available. For use as needed throughout the day and at the end of the work shift. Removes heavy soils and contaminants from hands and tools.

Method of Use: Remove towel from container and wipe hands and tools. Towel can be reused. Discard properly when through.

	Feature	Benefit
Improves Health & Safety	Highly effective	Smooth side cleans most heavy soils while the scrubber side can wipe away the heaviest of soils and contaminants . Provides powerful, deep cleaning ability yet is easy on the hands.
	Special ester based , toxicologically safe cleaning ingredient	Ester based cleaning ingredients ensure high efficacy, with good skin compatibility. A safer alternative to thinners and other technical solvents. Keeps hands healthy and working. Towels are soaked with the formula avoiding dry outs. No rinsing is needed.
	Fresh Cherry Scent	Cherry scent neutralizes heavy petroleum odors on hands leaving them clean and fresh.
	pH Neutral	A skin compatible, pH neutral formula helps to stop skin swelling and maintains the skin's natural protective barrier.
Better for Environment	Recyclable Packaging	Canister and lid are recyclable helping to support a healthy environment.
	VOC/CARB Compliant	The formula meets the new California Air Resources Board Regulations and proposition 65, thus meeting nationwide regulations and minimizing impact on the environment.
