

SBS® 40

Medicated Skin Cream

PRODUCT DESCRIPTION

After-work, lightly fragranced, non-greasy medicated conditioning cream helps to soothe dry, chapped hands.

WHERE TO USE

For use in industrial and healthcare work areas, offices and public washrooms.

INSTRUCTIONS FOR USE

- Apply to clean and dry skin
- Use before any lengthy breaks and after finishing work

After-work skin restore creams help to maintain the skin in healthy condition by keeping it strong and supple, avoiding dryness. Using restore creams is an important element in skin care best practice.

FORMAT: **CREAM**

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Capatability

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

COMPATIBILITY TESTS

Glove Compatability

In independent testing, the use of SBS® 40 in combination with reputable latex, vinyl and nitrile gloves does not have any deleterious effect on the glove tensile properties using EN 455-2:2009 test methodology.
