

Stokolan® Hand & Body

Conditioning Lotion for Hands & Body

PRODUCT DESCRIPTION

A fast absorbing, easy to apply skin conditioning lotion for use on all areas of the body. Enriched with a unique blend of skin care ingredients to increase skin hydration.

WHERE TO USE

For use by those with moderate skin dryness from daily working in industrial, healthcare, office and commercial areas.

INSTRUCTIONS FOR USE

- Apply as needed to hands, face and body
- Ensure skin is clean and dry before use

After-work skin restore creams help to maintain the skin in healthy condition by keeping it strong and supple, avoiding dryness. Using restore creams is an important element in skin care best practice.

FORMAT: LOTION

FEATURES	BENEFITS
Fast absorbing lotion	Specifically formulated for quick and easy use without leaving an oily residue on the skin
Versatile	Suitable for use on hands, face and body
Contains Allantoin	Supports the moisturization effect and helps condition the skin
Contains Glycerin	Enhances the water holding capacity of the skin's upper layers and supports the skin's own moisture system
Contains Creatine	Encourages the skin's own production of barrier lipids and supports cell renewal
Hydrates skin	Clinically proven to significantly improve skin hydration when used regularly
ECARF Certified¹	This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for being well tolerated by sensitive skin. www.ecarf-siegel.org/en/about-seal
Silicone-free	The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings
Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanization process.	Compatible with rubber production processes

Stokolan® Hand & Body

Conditioning Lotion for Hands & Body

STATUTORY REGULATIONS

COMPATIBILITY TESTS

Rubber Production Process Compatibility

In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with EN ISO/IEC 17025, the use of Stokolan® Hand & Body in rubber production process does not influence the cohesive strength of rubber.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

EFFICACY TESTS

Skin Hydration Test

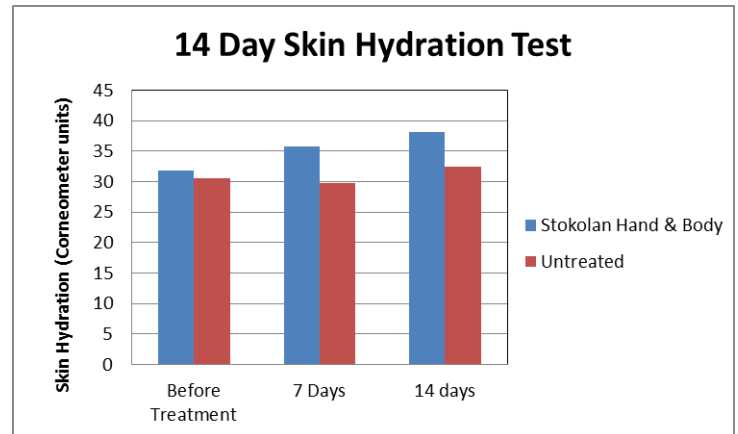

During a 2-week application period, the hydrating effect of Stokolan® Hand & Body was tested using 15 panelists. Results show that after one week application of Stokolan® Hand & Body, the skin hydration level had risen by 12% and after 2 weeks it had risen by 19%. Stokolan® Hand & Body enhances skin moisture content when used as directed and as part of a comprehensive skin care regime.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.
