

RESTORE

Stokolan® Sensitive PURE

Regenerating Sensitive Skin Cream for Dry and Stressed Skin

PRODUCT DESCRIPTION

A perfume-free and dye-free skin care cream without preservatives, particularly suited for sensitive and allergy-prone skin types. Stokolan® Sensitive PURE is enriched with the moisturizing agents Glycerin, Urea and Creatine.

WHERE TO USE

For use in industrial, food and healthcare environments, especially where employees have sensitive skin.

HOW TO USE

- Apply to clean and dry skin
- Use before any lengthy breaks and after finishing work

The use of suitable skin protection creams and restorative creams as part of a comprehensive skin care program is crucial to preventing occupational skin diseases.

FORMAT: CREAM

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/us/sds.

QUALITY ASSURANCE

Deb products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test: Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility.

Toxicological Approval: The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

PACK SIZES

Stock Code	Size	Case Quantity
SSP100ML	100ml tube	12

COMPATIBILITY TESTS

Rubber Production Process Compatibility: In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with DIN EN ISO/IEC 17025, the use of Stokolan® Sensitive PURE in rubber production process does not influence the cohesive strength of rubber.

SUITABLE FOR FOOD HANDLING

The use of Stokolan® Sensitive PURE as per usage instructions, does not influence the quality and safety of foodstuffs.

The product has been assessed using the HACCP hazard analysis methodology. The following critical control points were identified and are controlled as follows -

- 1) Impact on smell and taste of foodstuffs - The formulation has been independently tested according to Sensory Analysis - Methodology - Triangle Test EN ISO 4120:2007 and proven to not have the potential to taint food.
- 2) Possible toxic effects of ingredients - An independent oral toxicological evaluation was performed and concluded that any foodstuffs which may contain trace amounts of the product, are unlikely to cause any adverse toxicological effects.

CERTIFICATIONS

ECARF Seal of Quality: The European Centre for Allergy Research Foundation (ECARF) awards the ECARF-quality seal to allergy-friendly products. Cosmetics can receive this seal when the following criteria are met:

1. Quantitative risk assessment of the product ingredients with respect to their potential for sensitization, taking into account their specified conditions of use and amount
2. Medically supervised clinical trials by volunteers with atopic dermatitis
3. Approved system of quality control management
